Computer Science and Engineering Department

Date: 07 / 02 /2014

Notice

All the VIII students are hereby informed that Abstracts **on Information Technology Acts (8CS7)** should be strictly submitted in the following format shown on below latest by 26 Feb 2014 to **Mr Balram** or **Ms Malika Sharma**.

Topic/Contents of Seminar:-

1. Study the acts dealing with the cyber crimes in different countries viz., India, USA, European Union.
2. Study the Intellectual Property Rights and the acts dealing with these rights.
3. Study the Copyright acts with reference to publishing the material on the web.

Students are expected to prepare reports also on:

- Various acts dealing with cyber crimes in the countries.
- What constitutes a cyber crime in the country?
- Definitions of electronic documents, evidences, the approved algorithms etc.
- Investigation methods.
- Intellectual Property, rights of the creator of the property and legal framework dealing with these rights.
- Similarly on Copyright acts.

Further, every student is required to deliver a seminar on a **case study involving cyber crimes/Intellectual Property, Copyright acts. The seminar shall focus on the “methodology and tools used in the investigation, and enforcement of the applicable acts.”**. The seminar may also be presented on new ways of committing cyber crimes particularly **Phishing, botnet** etc.
